## RESEARCH FOUNDATION GRANTS 2021 OPEN FOR APPLICATION

The Research Foundation of Lappeenranta University of Technology declares RESEARCH and POSTGRADUATE study grants for application.

The application must include

- 1) a research plan (max. 10 pages)
- 2) a CV
- 3) an account of postgraduate studies completed
- 4) a list of publications since 2017 (with JUFO, Publication Forum levels) and a publication plan
- 5) a statement by the supervising professor of the postgraduate studies (separate form available on the foundation web site or officials)
- 6) an account of grants received during the past five years
- 7) possible references.
- 8) Excel-file for personal detail. The file can be found <http://www.lut-foundation.fi> and it must be printed and enclosed to application **and also sent in excel format by email to Mr. Timo Alho** ([timo.alho@lut.fi](mailto:timo.alho@lut.fi)).

The application is to be submitted by **26 October 2021** to the executive director of the foundation, Timo Alho, P.O. Box 20, 53851 LAPPEENRANTA or Office 6329. **Applicants may also contact Mr. Timo Alho for further information on the grants** ([timo.alho@lut.fi](mailto:timo.alho@lut.fi)).

**Details on the focus areas of the funds and instructions on the preparation of grant applications are available on the web site of the research foundation at [www.lut-tukisaatio.fi](http://www.lut-tukisaatio.fi)** (English).

The maximum worth of one grant is € 4 000 for doctoral students and € 6 000 for post doc researchers.

Applications received past the deadline or sent by e-mail will not be considered (NB: see item 8 excel-file for personal detail).

The grants will be awarded in December 2021.

Timo Alho  
Executive Director
